More Than Human - The Value of Cultivating the Human Spirit in Your Organization

Bill's first book, "[More Than Human](#)", resulted from his leadership as Champion of the San Diego Veterans Coalition Spiritual Working Group. It became an Amazon international best-seller on the day of the 2017 solar eclipse. The book is used extensively in Bill's transformational coaching practice.

In Our Eyes - In Our Words: Portraits from the Edge of Society

Bill is publisher and editorial contributor to this award-winning fine art book of portraits of homeless Californians drawn from life by California fine-art painter Jeffrey C Horn. Almost 1,000 copies of "[In Our Eyes In Our Words](#)" have been presented to Southern California not-for-profit organizations that do significant work to help people without doors come home. While the book is available in limited supply, it's publishing and distribution rights are intended to be sold to a major publisher.

<Working title: The Forgotten Power of Music You Can Use Now>

Bill's third book is an exploration of the forgotten capabilities that human beings have to use music, sound, and rhythm for transformative and integrative purposes. [He is currently seeking alliances to help bring this book to a wide audience.](#)

Performer

Anandamaya

Together with award-winning sound healer and Tibetan bowl teacher Diáne Mandle, Bill provides the "Western" keyboard, synth, and ambiance to the bliss-inducing next-level sound bath called [Anandamaya](#), which is now represented by [Bollatta Entertainment](#).

Musimorphic

Since the mid-90s, Bill's one-man lecture/performance show has entertained, educated, and engaged more than 300,000 people in concert halls, theaters, clubs, and seminars across America, culminating with an Award of Excellence from the National Council for Behavioral Health Care in 2016, the industry equivalent of winning an Oscar.

This ongoing role is supported by the online [Musimorphic Quest](#), which he developed and launched in 2016, and through his current position as Founder and Consulting Educator for Music Care Inc, dba Musimorphic. **Bill welcomes sincere Passengers to the Quest, particularly people who understand that change is inevitable, that relationship comes first, and who no longer satisfied with their status quo.**

Bill is a certified Cleric of Psanctuary, a Constitutional church based in Louisville, KY, USA. In this role, he teaches Psanctuarians and others how to use music for transformative and integrative purposes.

Composer

Bill regularly receives (and welcomes!) requests to collaborate musically. These projects are mostly speculative and don't usually make it into general distribution online, still, there are a few of them available [at this link](#).
